TERMS & CONDITIONS

All hospitality requirements must be finalised 14 days prior to the event. This includes full payment of the Hospitality Box and confirmation of the final number of guests in that box. Event ticketing will not be issued until full payment has been received. After this date allocation of tickets is final and there can be no exchange or transfer.

Should the weather look threatening, Sydney Dragway will endeavour to contact the client and give them the option of cancelling their Hospitality Box. This is only possible up to four hours BEFORE the caterers are on site and will incur a cost of 20% per guest. Once the caterers are on site cancellation is no longer possible and ALL fees are payable regardless of the weather and regardless of cancellation of the event.

The client agrees that if the number of guests signed for on the night of the events exceeds the number already charged for then the client will be charged for that amount after the event.

Hospitality bookings will only be accepted on the attached form.

While we will make every reasonable effort to adhere to the published corporate hospitality package, please be aware that menu samples may be subject to change based on the availability of seasonal produce.

Guests must be seated if using the outdoor seating to ensure they do not obstruct the viewing of other guests.

A Hospitality Host is provided at the entry to the Hospitality Boxes, however the client is responsible for the behaviour of the guests and any damage that may be incurred by patrons. Sydney Dragway & NDRC reserves the right, without incurring any liability whatsoever to refuse entry or remove guests from the event for any conduct which we consider is inappropriate. Any additional costs incurred for cleaning or damage to property will be charged to the client.

Smoking is NOT permitted in any Hospitality areas including inside the suites, boxes and marquee.

No public activities, promotional advertising, brochure distribution or external signage is permitted unless by prior arrangement with management. However, Hospitality boxes may be tastefully decorated internally on the basis any material installed must not damage paintwork or fittings and must be removed at the end of the event.

Prior to entry to the Hospitality area, guests must present a valid Hospitality ticket and wear an identifying wrist band for the duration of the event.

Race teams associated with the client ARE permitted into the Hospitality Box with a) the permission of the client; b) on the proviso the client is present; c) that NDRC has been advised.

Food and beverages are to be consumed within the Hospitality areas only and must not be taken outside this area.

All prices quoted are inclusive of GST.
